JOLLIBEE COMPLETES ACQUISITION OF 50% OF COFFEE, ASIAN FOOD BUSINESS

Jollibee Foods Corporation (JFC), through its wholly-owned subsidiary Jollibee Worldwide Pte. Ltd. (“JWPL”), completed today its acquisition of 50% share of the business of the SuperFoods Group. This consists of a 49% share in SF Vung Tau Joint Stock Company, organized in Vietnam, and a 60% share in Blue Sky Holding Limited in Hong Kong. This acquisition is an implementation of the Framework Agreement made on May 20, 2011 between JFC and its partner, Viet Thai International Joint Stock Company (“VTI”). The Framework Agreement provided for Jollibee Foods Corporation investing US$ 25 million for 50% of the SuperFoods business and a US$ 35 million loan to VTI. JFC had also advanced US$ 5.0 million to the SuperFoods Group.

As previously disclosed on December 21, 2011, JFC, through its wholly-owned subsidiary JSF Investments Pte. Ltd., a subsidiary of JWPL in Singapore, formally initiated the process for owning a 50% share of the business of the SuperFoods Group.

The SuperFoods Group owns and operates various brands, including Highlands Coffee Shops in Vietnam, Highlands Coffee Packaged Products and Hard Rock Café franchised stores in Macau, Hong Kong and Vietnam. Very recently, the SuperFoods Group also acquired the Pho 24 Brand and restaurants, which have presence in Vietnam, Indonesia, Philippines, Hong Kong, Cambodia and Japan. The annual sales of the SuperFoods Group amount to about US$ 30 million.

Highlands Coffee serves Vietnamese coffee and light meals in trendy coffee shops. It also sells packaged coffee through retail outlets. Pho 24 serves traditional Vietnamese dish with rice noodles as its core products.

Jollibee Food Corporation and its partner VTI, through their joint venture in the SuperFoods Group, aim to offer Asian mass consumers high quality coffee and café experience at affordable prices through the Highlands Coffee Shops and the Highlands Packaged Products. They also aim to serve the Asian mass consumers high quality Vietnamese food at affordable prices through the Pho 24 brand and restaurants.

Jollibee Foods Corporation also plans to serve Highlands Coffee in the restaurants of its various brands in order to upgrade the quality of its coffee at prices its consumers can afford.

Currently, Highlands Coffee Shops have 56 stores in Vietnam while Pho 24 has 48 restaurants in Vietnam, 11 in Indonesia, 4 in Hong Kong, 3 in Tokyo, Japan, 1 in Cambodia and 2 in the Philippines.
In the Philippines, the franchising rights for operating Highlands Coffee Shops was granted to IP Ventures, Inc. pursuant to an agreement made on December 20, 2011 between IP Ventures and Blue Sky Holding Limited. IP Ventures, a company formed and controlled by IPVG Corp., operates the largest chain of internet cafes in the Philippines with 116 outlets under the brand name Netopia.

Jollibee Foods Corporation will use the equity method in accounting for its 50% interest in the SuperFoods joint venture in compliance with the Philippine Financial Reporting Standards (PFRS) and the International Financial Reporting Standards (IFRS). Under this method, the revenues, other profit and loss items and cash flows generated and the balance sheet held by the SuperFoods Group will not be reflected in each line item of JFC’s Consolidated Financial Statements. Only JFC's investments in, loans and advances to, and its 50% share in the net results of operations of SuperFoods Group (as Other Income – Equity in Net Earnings) will be reflected in its Consolidated Financial Statements.

* Amounts in Php Millions, except % change and Per Share data

Jollibee Foods Corporation’s system wide sales, a measure of all sales to consumers both from company-owned and franchised stores rose by 18.0% in the 4th quarter of 2011 compared with sales in the same period in 2010. Sales in the Philippines grew by 17.8% while those abroad increased by 19.0% led by China with a growth of 27.5% and Southeast Asia and the Middle East with 23.3%.

In the Philippines, the acquisition of Mang Inasal and Burger King contributed 9.2% of the 17.8% sales growth while the rest of the brands grew by 8.6%. Sales per store across all brands grew strongly versus year ago driven by higher transaction count, a measure of volume of customer purchases.

Net Income Attributable to Equity Holders of the Parent and Earnings Per Share grew versus last year by 10.0% and 9.8%, respectively - the highest rates of quarterly profit growth registered in 2011. Net Income as a percent of revenues improved from 4.6% in the first 9 months of the year to 6.5% in the fourth quarter. This improvement offset the negative profit growth rate in the first half of the year and brought 2011 profit at par with the previous year. Net Income Attributable to the Equity Holders of the Parent reached Php 3.213 billion while Earnings per Share amounted to Php 3.120, just slightly above the amounts in 2010 of Php 3.198...
billion and Php 3.118, respectively. The Net Income margin for the quarter of 6.5%, however, was lower than the 7.1% registered last year, primarily due to lower Gross Profit margin, caused by raw material cost increases, partly offset by lower operating Expenses.

During the year, JFC made Php 6.0 billion in capital investments consisting of Php 4.0 billion in fixed assets, mostly in new stores and supply chain facilities; and Php 2.0 billion in projects related to the acquisition of new businesses. The Jollibee Group opened a total of 260 new stores in 2011, of which 167 were in the Philippines led by Mang Inasal with 86 new stores and Jollibee with 40. These store openings brought JFC’s total network in the Philippines past the milestone of 2,000 restaurants. Abroad, JFC opened a total 93 new stores led by Yonghe King in China with 70 and Jollibee Vietnam with 11. It also built and started operating the Jollibee Food Processing in Anhui Province, China and its Research & Development Center in Shanghai, and began constructing its Distribution Center in Manila. In 2011, JFC made investments that were related to the following acquisitions: Chowking stores in the United States from their licensee, Burger King business in the Philippines, and SuperFoods business in Vietnam and other Southeast Asian countries.

The above Php 6.0 billion of capital investments were financed by a net bank borrowing of Php 1.4 billion and the balance Php 4.6 billion by its previous year’s cash reserves and by cash generated from 2011 operations.

The JFC Group operates the Philippines’ largest restaurant network. As of December 31, 2011 it was operating a total of 2,001 stores in the country: Jollibee brand 745, Chowking 391, Greenwich 205, Red Ribbon 208, Mang Inasal 429 and Burger King 23. Abroad, it was operating 468 stores: Yonghe King 265, Hong Zhuang Yuan 52, Jollibee 78 (US 27, Vietnam 31, Brunei 11, Jeddah 7, HongKong and Qatar, 1 each), Red Ribbon in the US 34, and Chowking 39 (US 19, Dubai 16, Indonesia 2 and Qatar 2), for a total of 2,469 stores worldwide.

San Pin Wang is a fast food chain serving Chinese cuisine, primarily low-priced beef noodles with total sales of RMB 110 million in 2011. It consists of 34 stores located mostly in Nanning City in Guang Xi Province in South China.

JWPL is investing RMB30 million for its stake in San Pin Wang. (Jo)Amounts in PhP Million, except % change and per share data

Jollibee Foods Corporation, the country’s largest food service company generated total revenues of Php62.6 billion in 2011 representing a growth of 17.2% over 2010. System wide sales, a measure of all sales to consumers both from company-owned and franchised stores rose by 17.0% in 2011 to Php82.2 billion compared with sales in 2010. System wide sales in the Philippines grew by 16.7% while those abroad increased by 18.3% led by China with a growth of 25.8% and Southeast Asia and the Middle East with 25.2%.

In the Philippines, the acquisition of Mang Inasal and Burger King contributed 8.9% of the 17.0% sales growth while the rest of the brands grew by 8.1%. Sales per store across all brands grew strongly versus year ago driven by higher transaction count, a measure of volume of customer purchases.
In 2011, the JFC Group spent Php3.7 billion in capital expenditures for new stores, store renovations and logistics center – 44.9% higher than the amount spent in 2010 of Php2.6 billion. It opened in 2011 a total of 260 stores worldwide: 167 in the Philippines and 93 overseas. The JFC Group ended 2011 with 2,469, 6.6% higher than a year ago.

JFC also made investments of Php2.0 billion in projects that were related to the following acquisitions: Chowking stores in the United States from their licensee, additional shares in Chow Fun business in the United States and SuperFoods business in Vietnam and other Southeast Asian countries.

The company will continue to make major investments in new stores and commissaries with a capital expenditure budget of Php5.8 billion in 2012, 56.8% higher than the amount spent in 2011 and more than double that invested in 2010. It plans to open 300 stores in 2012, 150 in the Philippines and 150 abroad and to continue with the renovations of existing stores.

JFC’s net income attributable to equity holders and basic earnings per share increased by 1.1% in 2011 to Php3.2 billion and 0.6% to Php3.138, respectively. Net income as a percent of revenues declined from 6.0% in 2010 to 5.2% in 2011 primarily due to lower gross profit margin caused by raw material cost increases, partly offset by lower operating expenses.

JFC’s consolidated assets, liabilities and stockholders’ equity per its audited financial statements was slightly higher than those reported per the unaudited financial statements on February 16, 2011 to the PSE and the SEC.

JFC’s total assets increased by 15.3% to Php38.9 billion in 2011 mainly due to capital investments, mostly in new stores and logistics center and advances to a co-venturer.

In a disclosure made on April 12, 2012 to the PSE and the SEC, JFC announced that it had declared a regular cash dividend of Php0.58 per share to stockholders of record as of May 9, 2012 payable on May 31, 2012. This represents a 16% increase over the regular cash dividend of Php0.50 per share paid at about the same time last year.
The JFC Group operates the Philippines’ largest restaurant network. As of March 31, 2012, it was operating a total of 2,004 stores in the country: Jollibee brand 752, Chowking 381, Greenwich 204, Red Ribbon 207, Mang Inasal 436 and Burger King 24. Abroad, it was operating 506 stores: Yonghe King 267, Hong Zhuang Yuan 52, San Pin Wang 35, Jollibee 79 (US 26, Vietnam 32, Brunei 11, Jeddah 7, Hong Kong, Qatar and Kuwait 1 each), Red Ribbon in the US 33, and Chowking 40 (US 19, Dubai 17, Indonesia 2 and Qatar 2), for a total of 2,510.

Jollibee Foods Corporation, the country’s largest food service company, disclosed
today that its System Wide Sales, a measure of all sales to consumers, both from company-
owned and franchised stores grew by 15.0% in the first quarter compared to the same period
in 2011. Philippine brands reported strong sales in the first quarter of 2012, growing by
13.8% compared to the same period last year from continued strong same store sales growth
of all brands and from store network expansion. The foreign business reported a 20.5%
growth in system wide sales with the China business growing by 26.9%, Southeast Asia and
the Middle East business by 22.6% and the US business by 6.9%.

JFC’s Philippine business continued to perform strongly in the first quarter. Its
restaurants continued to experience very healthy same store sales growth from increases in
volume resulting from higher customer base and higher frequency of customer visits
compared to last year. These resulted from its drive to appreciably increase the value of
restaurant offerings to its customers. Over the past several months, JFC had been introducing
new products, improving existing products and services, continued renovating its stores and
reducing slightly the prices of some of its products. JFC also cited the decreasing inflation
rate (from 4.0% in January 2012, to 2.7% in February to 2.6% in March) which it believes
helped grow consumer spending in the country. The 13.8% sales growth rate was JFC’s
highest Q1 growth rate in the Philippines in the past 3 years.
JFC’s net income for the first quarter of 2012 rose 8.2% compared to the same period last year, lower than the 15.0% increase in its system wide sales and the 18.0% growth in its revenues. JFC’s Chief Financial Officer, Mr. Ysmuel V. Baysa disclosed that profit grew in most business units and geographies, led by the Philippines. Gross profit margins were lower but these were mostly offset by lower store operating expenses made possible by fast growing sales per store. “The profits of our Philippine business and some foreign businesses grew robustly but these were partially offset by lower China profit margins as labor and rent expenses there outpaced sales growth,” Mr. Baysa stated.

JFC’s net income for the first quarter also reflected the financial results of SuperFoods, a joint venture based in Vietnam of which JFC owns 50%, with Highlands Coffee and Pho 24 Vietnamese noodles as primary businesses. Using the equity method of accounting, the Php23.1-million equity in net losses of SuperFoods decreased JFC’s consolidated net income by 3.7% points.

JFC plans to invest Php 5.8 billion in capital expenditures in 2012, 56.7% higher than the amount spent in 2011 most of which will be used to open 300 stores and renovate 180 stores worldwide. JFC aims to grow profit by a double digit percent in 2012, Mr. Baysa stated.

The Jollibee Group opened a total of 39 new stores in the first quarter of 2012; 26 in the Philippines and 13 abroad.

The JFC Group operates the Philippines’ largest restaurant network. As of March 31, 2012, it was operating a total of 2,004 stores in the country: Jollibee brand 752, Chowking 381, Greenwich 204, Red Ribbon 207, Mang Inasal 436 and Burger King 24. Abroad, it was operating 509 stores: Yonghe King (China) 267, Hong Zhuang Yuan (China) 52, Jollibee 79 (US 26, Vietnam 32, Brunei 11, Jeddah 7, Hong Kong, Qatar and Kuwait, 1 each), Red Ribbon in the US 33, Chowking 40 (US 19, Dubai 17, Indonesia 2 and Qatar 2), Chow Fun (US) 3. San Pin Wang, JFC’s new acquisition in China added 35 stores for a total of 2,513 stores worldwide.

Jollibee Foods Corporation, the country’s largest food service company, disclosed today that its System Wide Sales, a measure of all sales to consumers, both from company-owned and franchised stores grew by 12.1% in the second quarter compared to the same period in 2011. Of this growth rate, global store network expansion accounted for 5.0% while worldwide same store sales growth contributed 5.0%. The acquisition of San Pin Wang in Guangxi Province in March 2012 and the Burger King franchise in the Philippines in October, 2011 added 2.1% to the growth rate.

The Philippine business reported a 9.5% growth in system-wide sales while the foreign business increased by 24.7% with China growing by 30.9%, Southeast Asia and the Middle East business by 22.5% and the United States by 13.3%. The Jollibee Group opened a total of 91 new stores in the first half of 2012; 51 in the Philippines and 40 abroad.

For the first six months of the year, system wide sales rose by 13.5% while revenues which were mainly sales from company-owned stores and commissaries and royalties from franchised stores grew by 15.6%.

JFC generated a Net Operating Income of Php1.075 billion in the second quarter representing a growth of 7.8% versus year ago. Net Income Attributable to Equity Holders of the Parent increased by 33.0% due to lower financing costs and to tax savings. For the first six months of the year, Net Income Attributable to Equity Holders of the Parent amounted to Php1.594 billion, higher by 21.2% compared to the same period last year while basic earnings per share amounted to Php1.535, or 20.2% higher than in the same period last year.

JFC’s profit after income tax margin improved from 4.6% of revenues in the second quarter of 2011 to 5.3% of revenues in the second quarter of 2012; and for the first six months of the year, from 4.6% of revenues in 2011 to 4.8% of revenues in 2012.
JFC Chief Financial Officer Mr. Ysmael V. Baysa stated that healthy same store sales growth in most regions driven primarily by higher transaction count or volume of customers per store, cost improvement in support groups (General & Administrative Expenses in Corporate Offices) in the Philippines and in China, lower financing costs and tax savings were the factors that drove the significant growth in net income. He added that same store sales growth and higher cost of labor, rent and utilities remain as very important challenges in its businesses in China.

On rising world food commodity prices caused by severe drought in the US Midwest, Mr. Baysa stated that JFC has been closely watching the price trends particularly of corn, wheat, soybean and rice which had risen significantly, in the past two and half months based on the prices at the Chicago Board of Trade. Due to the long and complex supply chain and the use of local agricultural produce, however, the impact of these cost increases on JFC’s chicken, beef, flour, vegetable oil and rice would be much less and with a lag time stretching as far as 6-8 months from the time of the price change in world trading.

In the past, such as in 2008, at the height of world food commodity price increases, Jollibee Foods Corporation gradually adjusted the selling prices of its products over a period of time to compensate for the cost increases.

Regarding the impact of the flooding in Metro Manila and nearby provinces brought by torrential rains on August 7 and 8, the number of stores in the JFC Group with reported damages represented about 1.0% of the national store network. Most have resumed normal operations. The impact from the combined disruptions in customer visits and store operations is estimated at about -2.0% on the normal national sales in the month of August, mostly coming from Metro Manila and North Luzon.

The JFC Group operates the Philippines’ largest restaurant network. As of June 30, 2012, it was operating a total of 2,022 stores in the country: Jollibee brand 756, Chowking 385, Greenwich 201, Red Ribbon 207, Mang Inasal 448 and Burger King 25. Abroad, it was operating 524 stores: Yonghe King (China) 278, Hong Zhuang Yuan (China) 53, Jollibee 83 (US 27, Vietnam 34, Brunei 11, Jeddah 7, Qatar 2, Hong Kong and Kuwait, 1 each), Red Ribbon in the US 32, Chowking 39 (US 18, Dubai 16, Indonesia 2, Qatar 2 and Oman 1), Chow Fun (US) 3. San Pin Wang, JFC’s new acquisition in China added 36 stores for a total of 2,546 stores worldwide.

Jollibee Enters into Hot Pot Joint Venture in China

Jollibee Foods Corporation ("JFC") the country’s largest food service company, disclosed today that its wholly-owned subsidiaries Jollibee Worldwide Pte. Ltd. ("JWPL") and Golden Plate Pte. Ltd. ("GPPL") have entered into an agreement primarily with Hopprime Ltd., a subsidiary of Wowprime Corporation of Taiwan ("Wowprime") and some key executives of Wowprime, to establish a company ("JV Company") to own and operate the 12 Sabu brand in the People’s Republic of China, Hong Kong and Macau.

JFC’s subsidiaries combined will own 48% of the JV Company, while Wowprime's subsidiary and executives combined will own 48% of the JV Company. The remaining 4% of the JV Company will be owned by certain individuals with experience in the retail sector in China. Through their subsidiaries, JFC and Wowprime will share control and management of the JV Company equally. The expected investment from JFC for the period 2012 to 2015 is equivalent to approximately USD8M.

The 12 Sabu brand features low-priced hot-pot dishes served in a clean and bright dining environment. It highlights safe and fresh food which each customer cooks in individual fast-heating stone hot pots. As of 2011, there were eighteen 12 Sabu stores operating in Taiwan, with revenues of approximately NT$ 200 Million.

Wowprime, founded in 1990, is a publicly listed company in Taiwan. Known as Taiwan's largest restaurant chain group, it currently owns and operates 210 stores under a total of 11 brands in Taiwan, 46 stores under 2 brands in China, and 2 stores under 1 brand in Thailand. This is the first time for Wowprime to enter into a joint venture.

JFC’s China operations include 367 stores under 3 brands (Yonghe King, Hong Zhuang Yuan, and San Pin Wang), as well as research and development and food processing facilities.

The joint venture aims to tap into the very popular hot pot dining market in China with the benefit of the combined experience and expertise of Wowprime and JFC.

The JFC Group operates the Philippines' largest restaurant network. As of June 30, 2012, it was operating a total of 2,022 stores in the country: Jollibee brand 756, Chowking 385, Greenwich 201, Red Ribbon 207, Mang Inasal 448 and Burger King 25.
