JFC's consolidated assets, liabilities and stockholders' equity per its audited financial statements differed only slightly from those reported per the unaudited financial statements on February 21, 2010 to the PSE and the SEC.

JFC's total assets increased by 10.3% to Php 32.8 billion in 2010 in line with revenue growth. Return on Equity (ROE) improved from 17.5% in 2009 to 19.2% in 2010 as net income grew by 20% while stockholders' equity rose by only 6% after declaring special cash dividends.

The amount of cash decreased by 9% from Php 9.0 billion as of December 31, 2009 to PhP 8.2 billion as of December 31, 2010 mainly as a result of major investments and the declaration of cash dividends. The company invested PhP 2.7 billion in capital expenditures mostly on new stores and store renovations, PhP 2.7 billion for the acquisition of 70% share of Mang Inasal and Php 128 million for the initial construction cost of Jollibee Foods Processing commissary in Anhui Province in the People's Republic of China. JFC paid a total of Php2.3 billion in regular and special cash dividends to its shareholders in 2010.

JFC Chief Financial Officer Mr. Ysmael V. Baysa stated that 2010 sales and profit growth were strong even as raw material costs were already rising. He cautioned, however, that cost increases have become more significant in 2011 in the various markets where JFC conducts business, putting more pressure on profit margins and on consumer purchasing ability. "Our profit growth in the first half of 2011 will likely not be strong due to more appreciable rise in raw material and operating costs coupled with increasing interest expenses as the company borrows more money to fund its capital expenditures and acquisitions", he stated.

JFC, in a disclosure made on April 12, 2011 to the PSE and the SEC reported that it entered into agreements with two banking institutions to borrow Php 3.9 billion to fund its capital expenditures and acquisitions in 2011.

Today, April 13, 2011 JFC also disclosed that it declared a regular cash dividend of Php 0.50 per share to stockholders of record as of May 5, 2011 payable on May 31, 2011. This represents a 16% increase over the regular cash dividend of Php 0.43 per share paid at about the same time last year.

JFC operates the largest food service network in the Philippines. As of February 28, 2011, it was operating a total of 1,932 stores in the country: Jollibee brand with 719, Chowking with 404, Greenwich with 220, Red Ribbon with 217, Manong Pepe Karinderia with 12, Caffe Ti-Amo with 3 and Mang Inasal with 357.
