JOLLIBEE FOODS CORPORATION AND SUBSIDIARIES

JFC Provides Statement on Business in China

Jollibee Foods Corporation makes the following statement pertaining to the impact of the Novel Corona Virus on its business in China and worldwide.

JFC, as of December 31, 2019, had a total of 5,973 stores worldwide composed of the following key regions: 3,316 in the Philippines, 389 in China, 1,572 in North America, and 696 in Europe, Middle East and other parts of Asia. The total network of JFC increased by 34.0% versus a year ago including acquisitions and by 6.1% excluding acquisitions. China accounts for 6.5% of the total JFC store network and 7.4% of the global systemwide sales. Within China, there are 14 stores, all Yonghe King, in the province of Hubei where Wuhan City is located. Today and in recent days, all 14 stores are temporarily closed and will remain closed as part of the government’s effort to contain the virus. The 14 closed stores represent less than 1% of the total JFC store network and 3.6% of the total store network in China.

Jollibee Foods Corporation believes that the Novel Corona Virus, as with other episodes of epidemic like SARS (Severe Acute Respiratory Syndrome in 2003), will be contained through the measures being taken by the government of the People’s Republic of China and in cooperation with other government agencies and private institutions. JFC is taking necessary measures to protect the health of all its employees in China such as allowing employees to work from home, providing them health guidelines to keep them and their families healthy and safe, including providing them with protective masks. In response to Corporate Social Responsibility, Yonghe King has provided free meals to the front-line medical staff since January 30 and has provided around 300 meals to the hospitals every day. The other businesses in China have also delivered free meals to the critical places including the medical staffs, delivery riders and sanitation workers.

While it is too early to determine the total impact of the Novel Corona Virus on its business in China, JFC remains very committed to keep building and growing a profitable business in China. For 2020, it plans to open more stores in China, mostly Yonghe King, in line with its goal to become a significant player in the restaurant industry in China. It envisions to build at least 1,000 stores in the People’s Republic of China in the next few years and that China will provide a significant contribution to the profit of Jollibee Foods Corporation.

JFC operates the largest food service network in the Philippines. As of December 31, 2019, it was operating 3,316 restaurant outlets in the country: Jollibee brand 1,195, Chowking 617, Greenwich 284, Red Ribbon 502, Mang Inasal 611, Burger King 105, PHO24 1 and Panda Express 1. Abroad, it was operating 2,657 stores: Yonghe King (China) 339, Hong Zhuang Yuan (China) 42, Dunkin’ Donuts (China) 8, Jollibee 267 (Vietnam 130, Brunei 18, Hong Kong 10, Singapore 9, Macau 1, Malaysia 1, United States 40, Canada 9, Saudi Arabia 12, UAE 15, Qatar 10, Kuwait 7, Bahrain 1, Oman 1, Italy 1, United Kingdom 1, and Guam 1), Red Ribbon in the US 31, Chowking 47 (US 15, UAE 21, Qatar 4, Oman 2, Kuwait 3, and Saudi Arabia 2), Highlands Coffee 401 (Vietnam 358, and Philippines 43), PHO24 38 (Vietnam 22, Indonesia 16), Hard Rock Cafe 6 (Vietnam 2, Hong Kong 3, and Macau 1), Smashburger 301 and CBTL 1,174. The JFC Group’s worldwide store network reached 5,973 stores.
